

PICKLEBALL DEN

THE TECHNOLOGY POWERING THE SPORT

'tis the season

The holiday season is the perfect time to reflect on our blessings and find ways to improve life for those around us. This season, Pickleball Den has so much to be thankful for. In 2022, Pickleball Den welcomed many more players to the Den Family, ranked over 8,000 players with Den Global Ratings, and hosted tournaments, leagues, and team tournaments across the country. We enjoy supporting managers and directors who love hosting events or who have made a business from running events. This year we also had many events using Pickleball Den to raise money for worthy causes. We want to thank clubs of all sizes for using Pickleball Den and allowing us to support them in growing and organizing their clubs! The largest club we have is over 1,900 members and is continuously growing! We've worked with them on customizing and integrating Pickleball Den into their back-end system.

We also thank the many tournament and league directors turning to Pickleball Den to reliably run their events electronically from start to finish. While at The Grand Games Pickleball Tournament in Surprise, Arizona, we were able to see our Integrated Referee system in action! It was a great experience to see referees using Pickleball Den to streamline the tournament. The head referee was notified of matches needing a referee, could assign a referee, and fill out the referee card from the information display in Pickleball Den. Thank you to Den Liaison Verlin, Club President Troy, and all the players who took part in this tournament!

But most importantly this holiday season, we are grateful for you!

We thank each and every individual player, club manager, tournament director, league director, and coach using Pickleball Den software. Pickleball Den is an independent technology company. We thrive off of writing software as many of you thrive off playing the game. Pickleball Den prides ourselves on providing you with the most comprehensive and reliable software on the market.

Looking forward to the new year, we already have many new tournaments scheduled and we are set to release a new version that supports international tournaments!

Ultimately, Pickleball Den remains committed to listening to you and your feedback. Your suggestions help us to continue to provide the best software and service! To help us achieve this, please continue to share our website, [Facebook](#), [Instagram](#), and [YouTube](#) with your friends! Forward this newsletter or our new video overview to others who you believe would benefit from learning more about Pickleball Den.

If you are using Pickleball Den, be sure to tag us in your posts and follow us on Facebook, Instagram, and YouTube to stay up to date with all the exciting updates and announcements we will be sharing!

PICKLEBALL DEN GOES GLOBAL

Pickleball Den's first international pickleball tournament will take place in 2023 at the Raquette Club Port Camargue in southern France! This club features 10 tennis courts and four Pickleball courts. We are thrilled to help grow the sport internationally and support tournament directors and club managers from around the world. A special thank you to tournament director Sara Aiken! Be sure to follow us for updates about this tournament!

COMING SOON

LANGUAGE OPTIONS

With the upcoming tournament in France, Pickleball Den will soon allow players to view our software in French! Additional language options will be available in the future as well.
