

PICKLEBALL DEN

THE TECHNOLOGY POWERING THE SPORT

CIRCLE UP FOR SIMPLE SCHEDULING AND COMMUNICATION

Organize the fellow pickleball addicts in your life with our Circle of Friends feature! Similar to Facebook or Team Reach, Circle of Friends lets you create sub-groups of friends you've already added on Pickleball Den. Maybe your family is pickleball obsessed, or you have a group of friends who all play on Tuesday evenings. Whatever the reason for the pickleball party, you can add friends to this group to make communication uncomplicated and scheduling straightforward.

Instead of starting a text chain that can quickly become a back and forth of endless texting, by creating a Circle of Friends, you can create and send sign-up sheets to your pickleball group with the click of a button. Organizing play is a breeze when all players can see exactly who is going to be at the courts by viewing the sign-up sheet.

INTRODUCING... GROUP CHAT

This month we've added yet another benefit to Circle of Friends. Using the group chat feature, your pickleball circle can discuss anything from changing the time of play, recent pickleball achievements, or simply notifying your circle that you're heading to the courts so they can join you! Always stay up to date with what your group has going on by sharing pictures from your recent pickleball events in your circle's group chat.

STAY CONNECTED & SCHEDULE WITH EASE.

Starting **Monday, October 10**, Circle of Friends will have an updated look and feel!

FEATURED UPDATES

ADVANCED SEARCH FOR SIGN-UP SHEETS

Previously when searching for sign-up sheets, players had to scroll through an endless list of dates and times. Pickleball Den users can now search for club sign-up sheets by date, location, and play type.

DELETE SIGN-UP SHEETS IN BULK

We understand that mistakes happen when creating sign up sheets for different times, dates, locations, and play types. Club managers can now delete sign up sheets in bulk under the create sign-up sheets menu.

FEE BASED EVENT SIGN-UP SHEET

Clubs and businesses can host public, fee-based events by selecting "Fee Based Event" under the create sign-up sheets menu.

PINNED POST ON CHAT

Club managers can now pin an important post to the top of their club's group chat. After you've made a post, click the three black dots and select "Pin Post."

GROUP CHAT FOR CIRCLE OF FRIENDS

Planning play with friends is now a breeze with the NEW Circle of Friends Group Chat feature. Message a select group of your friends to send updates about play times and pickleball events.
